

Coopers

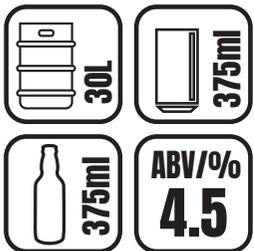

FOREVER ORIGINAL

For 6 generations we've been custodians of a proud legacy that began in 1862 when Thomas Cooper brewed his first batch of ale. The combination of traditional Coopers brewing methods with cutting edge production technology allows us to deliver consistent brew quality and flavour to our customers. We are an independent brewery. Quality and flavour are our priority. An Australian brew.

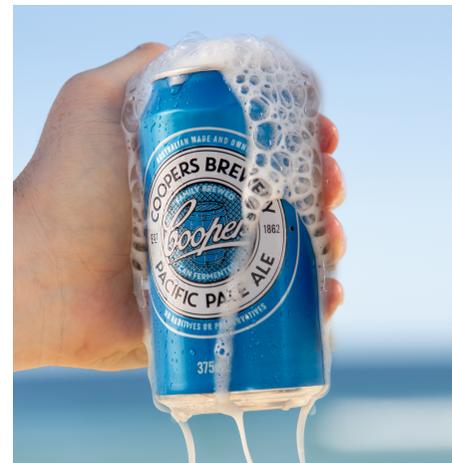

ORIGINAL PALE ALE

Australia's Nos.1 Pale Ale*. This is the beer that inspired a generation of Pale Ale lovers. With a cloudy appearance and fruity & floral aromas, it delivers a refreshing flavour profile which finishes with a crisp bitterness

XPA

Our Extra Pale Ale has a cloudy appearance and a fruity & flora aroma. Dry hopping highlights citrus notes of grapefruit and mandarin. A smooth malt palate is balanced with a generous hop use for a well-rounded bitterness.

PACIFIC PALE ALE

This dry hopped naturally conditioned ale is cloudy in appearance, with tropical and citrus fruit flavours, a refreshing palate crisp bitterness.

BEST EXTRA STOUT

Displaying chocolate and coffee notes derived from the roasted malt, the rich palate is balance with aromatic hops to achieve a dry/medium after bitterness
